## ABSTRACT

Write your abstract here.

## KEYWORDS

keywords, belong, here, with, commas, like, this

## 1 INTRODUCTION

Write your introduction here. This is a test citation [1]

Towards the end of the introduction, you should also add your **research questions (RQ)** here. You may want to state your main RQ like this:

*Can a master thesis template serve as a starting point for a thesis graded 8 or above?*

You can then list the sub-research questions as:

- How does the structure of the template influence the final thesis?
- Is textual guidance sufficient for structured working?
- ...

## 2 RELATED WORK

Write about your related work here.

## 3 METHODOLOGY

Write about your methodology here.

## 4 EXPERIMENTS

Write about your experiments and their setup here.

## 5 RESULTS

Write about your results here.

## 6 DISCUSSION

Write your discussion here.

## 7 FUTURE WORK

Add here your prospects on what could be done on the topic you have presented here and/or how your work could be extended

## 8 CONCLUSION

Write your conclusion here.
